MUHAMMAD SAAD

FULL STACK DEVELOPER

Pakistan, Karachi | ms22458881@gmail,com | muhammad-saad-flame.vercel.app

SUMMARY

I'm an undergraduate student and an Aptech student with a strong passion for full-stack development. Building modern, efficient, and scalable web applications using the latest technologies. My focus is on creating smooth, responsive, and user-friendly experiences that combine clean design with powerful functionality.

SKILLS

- HTML, CSS ,Javascript
- Bootstrap ,TailwindCSS
- ReactJS ,InertiaJS ,MUI
- PHP/Laravel
- MYSQL(DATABASE)

EXPERIENCE

DeveloperHubs - Full Stack Developer   **3 Months**

I completed a 3-month remote internship at DevelopersHub , where I gained hands-on experience in building modern web applications using the latest technologies. Here's my projects.

1. **ZyraWear (ReactJS + TailwindCSS)**
 A stylish fashion e-commerce frontend built with ReactJS and TailwindCSS, featuring a clean, responsive UI and smooth shopping experience.

2. E-Commerce Brand (ReactJS + Laravel)
 A full-stack online store using ReactJS and Laravel with cart, checkout, and Stripe payment integration for seamless transactions.

3. Entrepreneur & Investor Panel (ReactJS + Laravel)
 A web platform connecting entrepreneurs and investors, built with ReactJS and Laravel, featuring dashboards, proposals, and role-based access.
